USPA NEWS - UK Attorney General Must Urge & Support ICC to Prosecute PM Modi also PM Netanyahu for War Crimes

Shazada Hayat President UICF (UK) and international community welfare campaigner, is lobbying and campaigning to have Prime Minister Narendra Modi and Prime Minister Benjamin Netanyahu prosecuted for war crimes and genocide.

Shazada Hayat said, Britain has always prided itself on upholding the rule of international law. Therefore, the majority of the British public, especially the 6 million British Muslims and 1.6 million British Pakistani community in UK, want justice.

Shazada Hayat said, The UK international community want the British Attorney General Lord Richard Hermer KC to support an urge the international criminal court to prosecute Prime Minister Narendara Modi for war crimes, and also prosecute Prime Minister Benjamin Netanyahu for genocide. PM Netanyahu has carved his name in history as the evillest tyrant, by committing the most despicable heinous crimes against humanity. PM Netanyahu has carried out genocide against the Palestinians in Gaza, which has shocked the world of the horror and carnage against defenceless innocent men, women and children.

He has attacked Lebanon, Yemen, Syria, and now Iran. PM Netanyahu is an international political mafia gangster, carrying out the most gross violation and crimes against humanity ever witnessed in history of the world. He is slaughtering the defenceless public and has stooped so low in his depravity. As well as ordering the killing of innocent men women and children, he has not even spared the premature babies whilst in incubators, whose limbs have been ripped off their bodies. PM Netanyahu believes he can carry out the violation of international law and genocide at will, because he has the full support of “The Lobby”, also known as “The Black Circle”.

Shazada Hayat went on to say, “The Lobby” controls the United States President and the British Prime Minister. This “Lobby” has rendered the British and American politicians helpless and powerless. Therefore, what “The Lobby” says goes and not what the President of USA or the British Prime Minister says. This is the reason PM Netanyahu feels he is more powerful than the United States President and the British Prime Minister. Also, this is the reason he feels he is above the international law, to carry out crimes against humanity and genocide, as well as to invade other countries to slaughter and carry out wholesale destruction of countries. PM Netanyahu believes and enjoys being the worst tyrant in history, because he has full impunity and immunity to commit the most evil and heinous crimes against humanity. The irony is for the first time in history we have two tyrants committing the worst crimes on this planet at the same time.

Shazada Hayat said, PM Modi, is also known around the world as “The Butcher of Gujarat.” He wants to emulate his mentor, who he sees as his guru PM Netanyahu, he wants to copy his mentor and guru. PM Modi has ordered his military on the 6th May 2025, to attack Pakistan on false and fabricated allegations.

The indiscriminate attack ordered by PM Modi killed innocent men, women and children in their homes. The Pakistan Air Force gave a benefiting response as promised by the Pakistan Army Chief, now Field Marshal Asim Munir.

The Pakistani Air Force inflicted heavy damage on the India Airforce and shot down 6 Indian fighter jets, including 3 French Rafale. The self- defence response by the Pakistan Air Force has left PM Modi and his military chief in a state of shock, which has also amazed the world. The British Attorney General Lord Richard Hermer KC, must deliver the British government’s resolute stance and commitment to international law. PM Netanyahu must be prosecuted for genocide and violation of international law, for attacking countries and war crimes.

PM Modi must be prosecuted for human rights violations, breach of international law by attacking Pakistan on false pretence If these two tyrants are not stopped by the great public and the International Criminal Court (ICC), then PM Netanyahu will put the existence of the peace-loving Jews and the world in peril. PM Modi, on the other hand, will also put the safety of the peace-loving Indian public in peril.

Furthermore, PM Modi is on course for a civil war in India, which will lead to the breakup of “The Incredible India,” the world’s largest democracy. The international public, the peace-loving Jews around the world, and the peace-loving Indian public must rise to protect humanity and the world from calamity and Armageddon. The ICC must prosecute the world’s most evil tyrants in history Prime Minister Benjamin Netanyahu and his admirer “The Butcher of Gujarat” Prime Minister Narendra Modi,
